Term 3 Week 10 Tuesday 22 September 2020

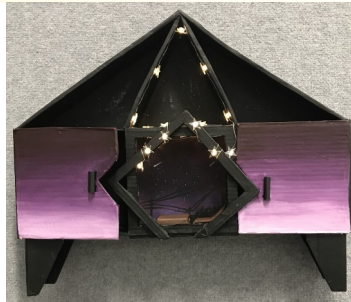

YEAR 10 FOOD TECH ARE CAKED OUT!

This term Year 10 Food Technology have been studying Food Product Development. Students have learnt about how food manufacturers develop products for promotion and to meet consumer needs. For their assessment task they were asked to create a baked good inspired by a children's movie. Here are some of our students' work:

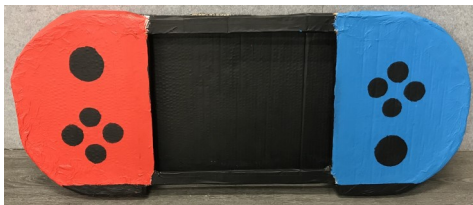

Ms Borg - Home Economics

VISUAL ARTS: IMAGINATION + CARDBOARD = CREATION

Year 12 Visual Design Works explore the versatile possibilities that arise when combining imagination and cardboard.

PRINCIPAL'S REPORT

Term three has been a busy yet productive term with lots of learning and activities on site but unfortunately we have not been able to hold our regular sporting events or carnivals. Nevertheless, students have participated in House events organised at school and these have been enjoyed by all.

Congratulations to the following students on their selection by merit to the positions of school captains for 2021:

Junior Captains: Mohammed Qays and Imeelya Al Hadaya

Senior Captains: Nicholas Ly and Stephanie Lin

Vice Captains: Jacky Minh Luu & Raja Al-Saberi

I would like to thank our current School Captains, Isabella Awraham and Sam Abdulkareem, for their work throughout 2020 in representing our school. Whilst it has been a most complex year, our captains have met with me regularly and instituted changes to the school environment, uniform and procedures which has had a positive effect on the student body.

Year 12 student will be required to attend school during Week 1 of Term 4. This is in contrast to other years where Year 12 would normally be preparing for their examinations at home. The Department of Education has given this extra week of face to face learning time for students to consolidate and revise their subject content. I would like to take this opportunity to remind the current Year 12, to look after themselves during the holidays with regular exercise, sleep and healthy eating in preparation for their Higher School Certificate examinations beginning on the 20th of October. I wish Year 12 well in their studies and trust that each one of you do your personal best as you complete your thirteen years of schooling. Whatever post-school pathway you choose, the staff of Fairvale High and I wish you much success and hope that we will hear of your positive and productive endeavours in the future.

The construction of our new Covered Outdoor Learning Area (COLA), Year 7 area, Administration block, thirty classrooms and Hall is on track and the demolition of the old COLA has been completed. Students are now enjoying the extra space provided by the new COLA and Year 7 Area. Please exercise care around the perimeter of the school when you are driving on the road or walking on the footpath, as there are a number of heavy vehicles moving in and out of the school property whilst construction takes place.

Term 4 begins for all students on Monday 12 October and we move to our summer uniform, meaning no ties and the wearing of school jackets only in wet weather.

To all our Fairvale families - have a wonderful and safe Spring holiday and thank you for your ongoing support of Fairvale High School.

Regards

Mrs K Seto

COMMUNITY NOTICE - POLICE APPEAL

Fairfield Police are seeking witnesses to a motor vehicle accident that occurred about 2.30pm on Tuesday 25th August at the intersection of Thorney Road & Baragoola Street between a silver coloured 4WD and a motorcycle. At the time there were a number of parents waiting to collect their children from school parked nearby the location. If any person has any information concerning this accident they are asked to contact Sergeant DOYLE at Fairfield Police Station on 9728 8399.

NSW Police Force

DIVERSE LEARNING NEWCOMBE BALL CLASH

On Thursday 10 September, 2020, the Diverse Learning students, along with the teachers and SLSOs had a Newcombe Ball Clash.

This was a house competition where all the students and staff played for their respective houses.

Remarkably, there were three teams that drew equal 1st place; Wright Warriors, Florey Phoenix and Greenway Gladiators. Therefore, leaving

our beloved Newling Ninjas in 2nd place. It was an amazing competition where the senior students showed great leadership skills. Everyone participated and gave it their all. Most importantly, we all had a great time!

Thank you to the teachers that allowed this to happen. We look forward to the next battle of the houses.

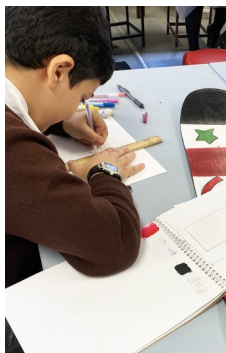

Mariem Marqous - Year 10

ASPIRING THROUGH 2020

At Fairvale High School, students continue to be **aspiring** despite the complex year. Our students encourage each other to embrace challenges and maintain high expectations for their learning. Essential tools like the Yondr pouch and diaries help our students remain focused and aspired in order to achieve their goals.

Ms Zhang - EAL/D

CAREERS - FAST FORWARD PROGRAM

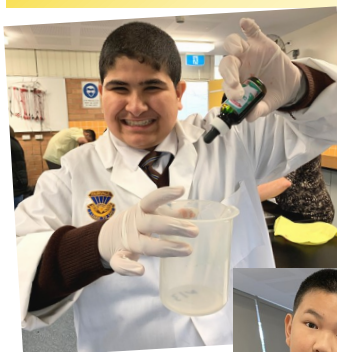

The Western Sydney University Fast Forward program is for students from Year 9 to Year 12.

The program provides new opportunities for students to grow and learn and help them become what they dream to be. My peers and I have been given the book "Letter to My Teenage Self" which explores the experiences of other students who have taken part in this program. It gives an understanding about what each person wished to be and their different goals and perspectives when they first started out as a teenager.

Imeelya Al Haday - Year 9

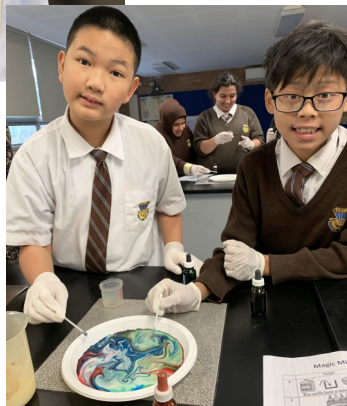

FUN SCIENCE

Students in Diverse Learning engaged in a fun experiment with Ms Glen and Ms Ali where they had the opportunity to see how milk, food colouring and dishwashing liquid result in a chemical reaction.

Ms Ali - Diverse Learning

CAREERS - UNIVERSITY ZOOM PRESENTATIONS

The Year 12 students have had the opportunity of hearing from the various tertiary providers each week in Term 3. The University of Wollongong, Macquarie University, University of Sydney, Western Sydney University, Australian Catholic University, University of New South Wales, Notre Dame and TAFE all presented via ZOOM. Students were also able to attend the tertiary provider Open Days via ZOOM this year and all Year 12 students have had a future career pathway interview.

Ms Higgins - Career Adviser

STUDENTS CREATE AWARENESS POSTERS

Mr McConnell and Ms Thich encouraged their Year 8 English classes to create a poster to promote sustainability.

We made posters about sustainability and issues around the world. My poster is about the biggest problem which is sea pollution. We are trying to tell people out there to care about our earth, to not throw rubbish in the ocean or anywhere else. We are trying to help our earth with all the problems that affect us all. **Attratshaba, Year 8**

My poster on sustainability is about sea pollution. You see, many marine animals die because of all the rubbish in the ocean caused by humans. It would be awesome if everyone recycled and helps as a community. I believe that if we can achieve that goal, we can do anything. **Noor Alhuda, Year 8**

My poster is based on sea pollution and its purpose is to make the viewer think about the issue and how it affects the environment under the "not so pretty" side of the sea.

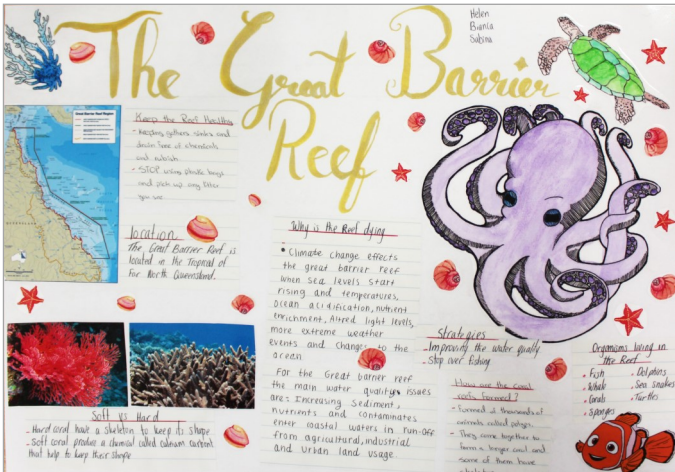

Mirabel Dawood, Year 8

The poster helps raise awareness about Climate Change and tells people that Climate Change is a big deal and if we act now, there are many things that we can do to save our planet before it is too late. One major solution is to reduce the amount of plastic that is used regularly, which can also assist to reduce green house gas emissions.

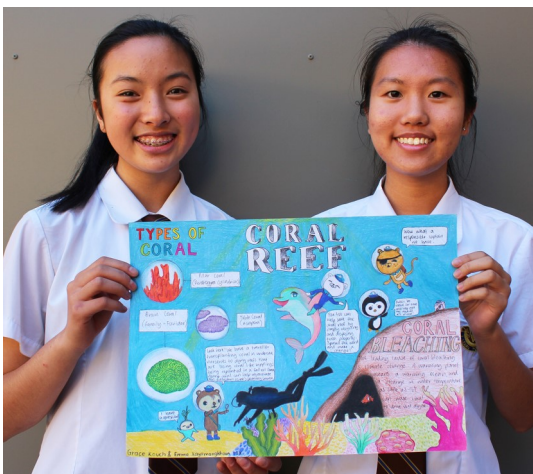

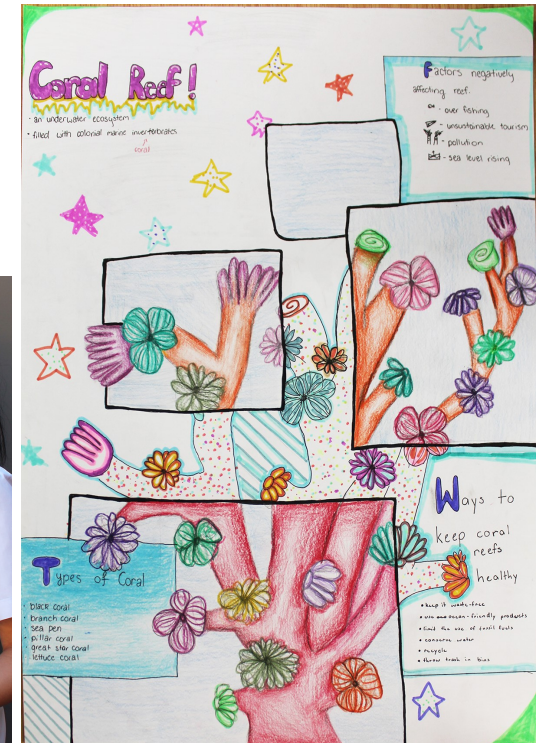

Sama Al Hadaya, Year 8

national science week 2020 | 15-23 August 2020 | www.scienceweek.net.au

This year's Science Week theme **'embraces the innovative technologies, capabilities and skills needed to achieve economic, environmental and social sustainability of our oceans.'**

FAIRVALE'S YEAR 12 MASTER CHEFS!

With great confidence and inspiring teamwork, Year 12 Hospitality students were proud to have finished their last service period on a high note. Working together, they ended their final practical assessment by preparing and presenting an array of quality appetisers and salads to industry standards.

Mr L. Nguyen - TAS / VET

RECIPE for Spiced cherry tomato and avocado canapé's - makes 36

Ingredients

2 avocados
250g cherry tomatoes
½ small red onion
⅓ C fresh continental parsley
olive oil spray
36 wonton wrappers
⅓ C natural yoghurt
10-12 drops of Tabasco sauce
2 T lemon juice
salt and pepper

Mis en place

preheat oven to 190 °C
remove stones from avocado
coarsely chop tomatoes
brunoise onion
wash, dry, pick and chop parsley

Method

1. Spray a mini muffin pan with oil.
Press a wonton wrapper into each hole.
Bake for 8 minutes or until golden brown.
Set aside in the muffin pan to cool.
2. Place avocado and yoghurt in a bowl. Stir to combine. Add the Tabasco sauce to taste.
In a separate bowl, combine tomato, onion, lemon juice and parsley. Season with salt and pepper.
3. Spoon the avocado mixture evenly among the wonton cups.
Arrange on a serving platter and top with the tomato mixture.
Garnish with remaining parsley and serve immediately.

DELICIOUS MICROORGANISMS

In the past few weeks in Science, our class 8X has been learning about microorganisms. A microorganism is a microscopic organism, especially a bacterium, virus, or fungus that may be found in particular foods or areas. In this practical lesson, 8X made our own yoghurt. In our yoghurt, we had to include some fresh milk, a spoonful of yoghurt into the milk and leave it to heat until it started to boil a little. When our yoghurt had boiled, we took it off the heat and poured it into a bowl with a clean cloth wrapped around it. We then waited two days for our next lesson and saw the reveal of our own yoghurts.

This practical lesson was one that showed us how microorganisms are contained in foods and was really fun to experience how we could make our own yoghurts.

Claramarie Haddad
- Year 8 Science

SPELLING BEE

On the wintery morning of Wednesday 26 August 2020, the top spellers of Year 7 and 8 assembled under the watchful eyes of Ms Feng and Ms Borthwick.

The students battled it out over obscure word rules, pen flying over paper, test after test. Until there were only two left.

Sarah Lie from Year Seven and Cherisa Zhang from Year Eight fought valiantly in a round of unseen words but ultimately there was only one winner.

Sarah emerged triumphant as the top speller at Fairvale High School for 2020.

Ms Feng - English

LIBRARY OPENING TIMES

Due to the construction of the new building, access to the library has changed. While the building is under construction, the library is only open to students at certain lunchtimes.

Year 7 – Monday

Year 10 – Thursday

Year 8 – Tuesday

Years 11 & 12 - Friday

Year 9 – Wednesday

During this time, students may borrow and return books, use the computers, print and do their homework as usual.

If students need assistance or need to use the school computers at any other time, they are able to go to the Junior Learning Centre in W9 at any lunchtime or to the Homework Centre in N11 and N12 after school on Tuesday, Wednesday and Thursday.

Seniors are still able to attend the library for their study periods, and of course, students are still able to come to the library with their class teacher during class time.

Any books or school resources that need to be returned outside of these times can be placed in the return box at the Student Services counter in Newling.

Ms Hammond and Ms Chen - Teacher Librarians

BATTLE OF THE HOUSES - TERM 3 RESULTS

In week 8 this term students at Fairvale had the opportunity to participate in Battle of the Houses, an event where individuals work cooperatively to accumulate as many points for their Houses as possible.

Points Allocation for each Activity: 1st - 100 / 2nd - 75 / 3rd - 50 / 4th - 25

The week began with integrated sport, where Years 7 to 11 competed in the Tough Fairvalian Challenge. After all points were counted, the Newling Ninjas were the overall winning house. This followed by the seniors ½ Court Basketball Competition showcasing amazing skill which left Florey Phoenix as the Basketball Champions.

On Wednesday the seniors vertical jump saw Greenway Gladiators emerge as the winners and again the Gladiators were victorious in the junior's vertical jump as well. In addition to lunchtime House activities there were also House challenges across a variety of faculties including coding, Home Economics challenges, diverse activities, and Commerce kahoot games. Also, all student attendance and PBL tokens were allocated vital House points.

Thanh Duong - Sports Captain

Concluding this exciting week, Fairvale is pleased to announce that the

Term 3 House CHAMPIONS are **GREENWAY GLADIATORS**

1st - 820

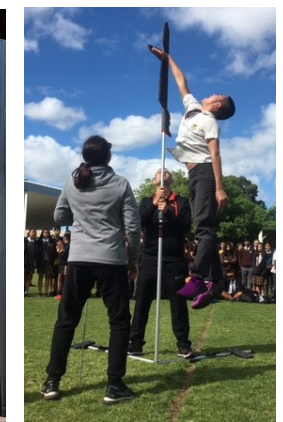

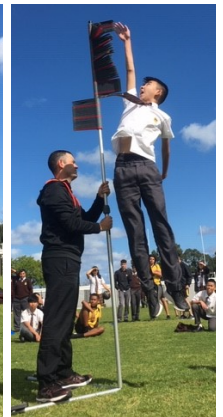

2nd - 720

3rd - 620

HOW TO CARE FOR YOUR YONDR POUCH

Yondr is committed to the health and safety of our school partners. Given the recent COVID-19 developments, Yondr encourages schools to take the following precautionary measures:

Cleaning pouches with a washer / dryer:

1. Close all the pouches
2. Wash pouches in a **short speed wash** or **thirty (30) minute wash** under either **warm / cold setting** using **regular detergent**
3. Air dry or put pouches in a dryer on **low heat for less than fifteen (15) minutes**. Please note that higher temperatures can damage pouches.

Cleaning pouches with disinfectant and / or sanitiser wipes:

1. Close all the pouches
2. Wipe disinfectant / wipe on all parts of the pouch
3. Open all the pouches and turn inside-out
4. Wipe disinfectant / wipe on all parts of the pouch
5. Close all the pouches

LOOKING THROUGH THE LENS

Throughout the semester, Year 12 photography students have studied photographic concepts related to manipulated forms and the arranged image. They have also successfully completed their independent projects where each student came up with an idea for their projects and used digital photographic techniques to send messages to their intended audiences.

These works were exhibited in the Art Shed, showcasing a range of works. The class has also attempted to create a short film, applying the film and video techniques learnt in class to a mini project.
